Welcome...

A warm welcome to St John's Church. The best way to find out about St John's is to come along to a Sunday service or to another of the activities we offer.

St John's stands at the heart of a thriving and active village community in an area designated as being of Outstanding Natural Beauty. We represent a wide range of ages and backgrounds and are working together to become the family of God to serve the community in which he has placed us.

Whether you are have been a Christian for many years or are just beginning to wonder whether God has any relevance to your life, you will find a warm welcome, a place to ask questions and make new friends. We have a wide range of activities, providing various ways for everyone to engage in the life of the church.

The church is open every day and you are welcome to come in, whether it's to explore the building or find a quiet place to pray.

We are part of the Joint Benefice of Churt and Hindhead, and work closely with our sister church St Alban's in Hindhead.

We look forward to meeting you.
